Investor took over a part of the land and products from an existing company, which already had consent to operate. MPCB kept denying the CTE on various grounds even after investor applied for ZLD; received legal opinion from MPCB legal cell that the party should be granted the consent and: even after investor submitted a letter from MIDC stating that they have given permission for the project.</p> <p>Investor is claiming that the process does not involve any hazardous chemicals, it only involves inorganic salts and the effluent also contained easily separable inorganic salts of benign elements. Investor is proposing to manufacture catalysts which are very important for green processes, but not available to Indian companies because of its strategic importance.</p> <p>11.5.2016: department update: The Consent was issued under Green Category which is not serving the purpose of the investor. MIDC has abolished the policy to issue NOC (as per TA's update).</p> <p>05.07.2016- MIDC update: MIDC has written letter to Investor and MPCB that MIDC is not a competent authority to give any such NOC nor have any authority to judge performance of treatment of effluent generated by units.</p> <p>08.07.2016- IM Decision: The supreme court has stashed high court order- Hence, MPCB's request to obtain MIDC NOC is not required anymore. NGTs decision is prevailing that unit with ZLD should be granted consent to establish. MPCB to resolve the issue at earliest.
