71	Towell Engineering International LLP	Pune	MSEDCL	Power Connection	<p>Investor is requesting to complete electricity substation work at Indapur MIDC at the earliest, to resolve the prevailing issue of irregular power supply to their unit.</p> <p>August 2015- Update from MSEDCL: The investor applied for 980 KVA contract Demand. It was proposed to give power supply from Loni 33/11 KV S/s by way of express feeder. The work was to be carried out by investor under DDF against payment of 1.3% supervision charges. The demand note was issued on 16/06/2015. However the investor & MIDC has taken objection for the route of the line and has requested for revising the estimate by giving tap to existing 33 KV line, instead of express feeder. For this, MIDC to issue consent to tap the existing 33 kV line - to investor. MSEDCL shall issue revised estimate once the investor submits this NOC from MIDC.</p> <p>11.09.2015- Update from the department: MSEDCL has issued the demand note (INR 25 Lakh) to the investor on 08.09.2015 with some conditions. Investor is not willing to abide by the conditions - "investor will have to take power from MIDC s/s, when ready, at his own cost. The current line provided is temporary in nature"</p> <p>06.10.2015- Update from the investor: Investor has confirmed that the revised Sanction letter is issued by removing the conditions.
