Again the SEAC committee was formed in Maharashtra, the investor completed and submitted the EIA on 22.01.14.</p> <p>After minor clarification & compliance, the case was recommended in 105th SEAC-1 dtd 03.07.15. The project was considered in 89th SEIAA meeting and was deferred because of PIL filed in Mumbai High Court by NGT regarding the non performance of CETP in Talaja. Currently, the file is under process with the State Environment Impact Assessment Authority.</p> <p>05.07.2016- Department update: Investor to write to SEIAA about CETP effluent discharge and details given by CETP about its usage. MAITRI has communicated the same to investor. The investor will write to SEIAA accordingly. 12.08.2016-IM decision: Its operational unit. The query is for expansion of unit. According to unit, they are meeting standards of effluent and also has the online monitoring system. It was advised that since the unit is facing the issues they should make a presentation to NGT. MIDC will confirm if CETP bypass can be arranged for the unit. MIDC also to include the CETP matter on the agenda of next board meeting</p> <p>12-05-2017- IM decision: In case of non performing CETP, an affidavit was filed with NGT by MPCB to consider the ZLD and online monitoring units. NGT has given the order on the filed affidavit hence the department to take action accordingly.</p> <p>28-07-2017- Environment Update: If MIDC confirms that CETP bypass can be arranged for the unit than it could be considered for Environment Clearance.</p> <p>10-10-2017- Department Update: MIDC vide the letter dated 06th October 2017 has confirmed that CETP bypass can be arranged for the unit with certain terms and conditions</p> <p>08-11-2017-IM decision: The said case for environment clearance to be taken up in the upcoming SEIAA meeting. With regards to the terms and conditions levied by MIDC to bypass the CETP investor to make a representation on which MIDC to revert accordingly.</p>	MAITRI to share the draft letter with DC (Industries) to be sent to Addl.
