Minutes of the MAITRI Investor meeting dated 12 January 2022

Sr. No.	Name of the Company	Location	Department	Name of the Service	Application Date	Issue description and chronology	Decision taken in MAITRI investor meeting 12-01-2022	Issue Status
3	Inox Air Products.	Nichole Village, Gat no. 85/2 and 136/2, Wada, Dist. Palghar	Industries Department	Investment Period Extension	1-12-2021	The said unit has signed a MOU with Government of Maharashtra dated 20th November 2021 to set up a Medical Oxygen plant and special incentive packages too was offered. To implement the project, the investor had purchased a land in Wada on 29th April 2021 following all due diligence and free from all litigation however, when the investor started the construction activity the previous owner started filing the litigation matters in Wada court one after the other and have got the Stay Order on the development. Currently, the investor is representing the matter in the court dur to which the Investment period time is getting lapsed and the investor is requesting for Investment period under Mission Oxygen Swavalamban	Being the case is subjudice in WADA court, investor has been asked to wait till the final decision and then make a representation to Directorate of Industries with the request for time period extension. The case to be closed from MAITRI	Closed
4	Inox Air Products.	AURIC MIDC, Plot No. 8, Dist. Aurangabad	Directorate of Industries	Recommendation letter	19-11-2021	The said unit has signed a MOU with Government of Maharashtra on 20th November 2021 to set up a Medical Oxygen plant and has acquired the land in AURIC MIDC. The project attracts height clearance NOC from Airport Authority of India (AAI) for which the application was submitted and the NOC is availed. However, the NOC from AAI is of 43.5 M from ground level against the requirement of 55 M including the Cold Box. According to the investor, the Cold box is the main equipment of the plant and it is a cryogenic column which separates and produces gases and the alteration in these columns is not possible. Also, the unit name Hyosung opposite to Inox plant has obtained the NOC from AAI with higher height restrictions of approx. 58 M. Now, the investor is in the process to file an appeal with AAI for 55 M height restriction for which the investor is requesting for a recommendation letter from the State Government of Maharashtra.	Investor has been asked to follow the due course of submitting appeal to Airport Authority of India (AAI) with regards to requirement of 55 M height permission and share the copy of the same with MAITRI, Upon submission of the appeal, Hon'ble Development Commissioner (Industries) will write a letter to AAI and share a copy with the investor. The case to be closed from MAITRI	Closed
